

HERE ARE SOME OF THE PROPERTIES I HAVE LISTED AND SOLD

Hi I have listed and sold many properties in house and from the MLS. I have sold residential, agricultural, CRP, pasture and commercial properties in **Barber County, Pratt County, Kingman County and Stafford County**. I serve any of the communities in any of these counties. When you list a property with me it goes on the following sites depending on classification—**Hamm Auction and RE, Pratt MLS** (which serves the Barber, Pratt county areas) and or **LOOPNET real estate**. We also advertise in the local papers, Hutchinson paper, the Rural Messenger and the High Plains Journal. I have over 25 + active years plus in agriculture. I spend time visiting with other realtors and brokers about land prices and the direction they are headed. When you are ready to list or buy contact me **HENRY HUDSON** at any one of these: cell **620-886-1605** or e-mail at h1d1@yahoo.com or h.henry8825@yahoo.com or henry@hammauction.com.
